Fanciful Forest

Fanciful Forest
MoMo for Moda Fabrics

Cotton candy trees, watercolor clouds and blossoms that look a bit like gumballs. This is MoMo's delightful vision of a fantasy forest. Soar above the treetops, or wander through an orchard, the hand-painted prints are a mix of detail and soft shapes. This collection is a magical delight! Available now at Harper's.

Elite National Event Educator, Carrie Philpott, will be joining us at KCRQF at the Overland Park Convention Center on June 17, 18 & 19.
